

Profit from the high visibility* of a Web Banner on the TOP FAIR website and the blog on topfair.de!

EXPANDABLE BANNER

The Expandable Banner appears directly under the TOP FAIR slider on the main page of the website and the blog on topfair.de. It is manually scalable and can be animated.

Formats:

- Desktop: 1150 x 200 px
- mobile: 377 x 188 px
- Animation in GIF

CONTENT BANNER 1 + 2

The Content Banners 1 + 2 appear within the right column in prominent positions on the main page of the website and the blog. The position further up or down the page depends on the booking.

Formats:

- For all devices: 340 x 170 px
- Animation in GIF

The banners are responsive and therefore also appear on the mobile devices of the website visitors.
